

Sizzlin' Certified Black Angus USDA Prime Sweet Deal For Members- One Night Only Offer

If you really love a good steak then you should really go crazy over these USDA Certified PRIME Certified Black Angus Tenderloins.

This is the best of American beef. The PRIME category is reserved for only the top 3% of all USDA rated American beef. Corn fed from young, this beef has that unique American flavor that is sought after the world over. Being PRIME means it is very well marbled and after grilling, you can actually cut it with your fork*!

We have these guys on our regular menu for our regular price of \$42.50. Expensive? Yah!

But considering what it is and that most places that you can even find USDA PRIME are charging upwards of \$60.00, it's already a very good price!

You know, the "Damn Good Food.." thing.

However, for a limited time we will be offering these Filet Mignons (that's what the French and fancy restaurants call it) at only \$36.90 including your choice of two side dishes and that ole GST. To sweeten the deal for our members only, you get a complimentary choice from our top 3 desserts (normally valued at another \$3.50): Terry's Apple Pie, Carrot Cake, Chocolate Sensation Cake.

Remember, not all PRIME is USDA certified PRIME. And even more rare, Certified Black Angus.

To get this Certified Black Angus steak special, you'll need to print this out and bring it down to the outlet. Or you can flash this email on your fancy PDA, iPhone, smartphone, Blackberries to our staff.

Remember, it's only for **Thursday September 10th 2009** for dinner starting at 6pm just for you, as a loyal member (who reads my emails).

By the way, thanks to all the great support for the Red specials in August. The Alaskan King Crabs have been quite a hit and I know some of you would love to treat yourselves to both. We just ordered in some more Alaskan King Crabs and you can order up a couple of legs and your Black Angus to make your very own Surf and Turf combo.

For those who would like to try the ultimate, we got Black Quality Kobe on advance order at \$50. Call 24 hours in advance or write to zee@botakjones.com on which outlet you want it served and your wish will be granted.

Go on, you deserve it. I only give you my members , our best stuff.

Enjoy.
